

Total Vendor Management

Getting What You Pay For

Tired of worrying about your vendors' performance? Concerned about contractual disagreements and products/services that don't measure up to standards? This workshop will show you how to control your vendors, thereby ensuring that you get what you pay for. You'll learn techniques to establish and maintain a meaningful working relationship with your key vendors. And you'll discover how to create and utilize leverage that ensures vendor performance.

Benefits

- Identify which vendors to manage
- Enhance relationships with vendors
- Reduce the risk of vendor nonperformance
- Learn to use Key Performance Indicators (KPIs)
- Find out how to implement an effective vendor management system

Workshop Outline

Course Length: 2 Days

The Problem
